FEEL THE PULSE OF POWER BEYOND EXPECTATIONS

In every FJORD, the best features of three distinct worlds align. Scandinavian purism bestows upon it a striking visual allure while the Mediterranean way of life serves as the model for its numerous luxurious details. German engineering assures explosive dynamism, paramount safety, and impeccable craftsmanship. This singular DNA establishes FJORD as a trailblazer of lavish powerboats and a globally acclaimed design icon.

Immerse yourself in a world of original power yachts and discover the new FJORD 39 XP, embodying an extraordinary blend of power, luxury, and design to perfection.

DISCOVER THE GRANDEUR

FJORD's XP models represent the epitome of freedom and flexibility. Their outboard motors open up an entirely new realm of boating. XP stands not just for express, but also for extended possibilities, indicating these models offer you enhanced opportunities to shape your journey on the water. They enable you to navigate in shallow waters, anchor close to shore, and have direct access to the beach.

The XP models are ideal for those with a thirst for adventure, craving spontaneity, and desiring the freedom to decide their own course and anchorage.

The FJORD 39 XP symbolises a harmonious fusion of style, innovation, and unrivalled performance. You can expect an exceptional yacht experience that leaves nothing to be desired. From the sleek, modern design to the state-of-the-art features – every detail has been meticulously crafted to surpass your expectations.
