FJORD 440 OPEN

INSPIRED BY THE NORTH. CRAFTED FOR THE WORLD.

More than 1.6 metres wide, the hinged opening channels fresh air through the cockpit, bringing natural ventilation to the helm and social area.

UNMISTAKABLY FJORD

Every curve considered. Every line purposeful. The **FJORD 440 open** combines Nordic clarity, Mediterranean style and German craftsmanship in a form that is instantly recognisable. Clean surfaces, confident proportions and bold hull windows create presence without excess.

Its performance is equally decisive. Choose between twin Volvo Penta D6-340 engines delivering a combined 680 hp, or twin D6-480s with 960 hp. Precise handling, immediate response and effortless control turn every journey into an experience.

THE FJORD 440 OPEN AT A GLANCE

+ Up to 960 hp
+ Hydraulic bathing platform
+ Six-camera docking assistance
+ 55-inch TV integrated into the T-Top
+ Reversible aft seating
+ Two cabins and a separate shower
+ Flexible lower-deck layout
+ Curated and customised interior options

EVERY DETAIL, PURPOSEFUL

FJORD's iconic T-Top has been reimagined for the **440 open.** Aerodynamically refined and visually lighter, it gives the yacht a dynamic profile even at rest.

The wider, wrap-around windscreen adds greater protection at the helm while reinforcing the yacht's commanding silhouette.

Throttle, joystick and digital controls come together in one clear, intuitive interface. A six-camera system provides live views around the yacht, giving you greater confidence when manoeuvring and docking.

Behind the helm, the generous dining area becomes the social centre of the boat. Open the galley and everything is ready for relaxed lunches, chilled drinks or dinner at sunset. At the touch of a button, a 55-inch TV lowers from the T-Top – ready for films, sports and live events.

Exclusive FJORD helmseats
Developed exclusively for FJORD, the sculpted helm seats combine secure support with lasting comfort – even on longer passages and in demanding conditions.

OPEN UP
TO THE SEA

The hydraulic bathing platform extends life on board right to the water. Lower it for comfortable access to the sea, retrieve a SEABOB from the storage beneath the sunpad or launch a fully inflated Williams 280 Jet Tender.

To ensure a safe transition between bathing platform and cockpit, the integrated telescoping ladder adjusts seamlessly to any position the platform is in.

Generous headroom
With max. 2.1 metres of headroom beneath the T-Top, the cockpit remains open, airy and comfortable.

EMBRACE THE
HORIZON ASTERN

Some views are too marvellous to miss. With one simple movement, the reversible backrest faces aft, creating a comfortable seat overlooking the wake. A smartly engineered rotating mechanism converts the bench in seconds. Small motion. Stunning transformation.

Reversible aft seating
Rotate the backrest to face aft and enjoy an uninterrupted view over the water. Optional.

PRELIMINARY

MEDITERRANEAN ELEGANCE,
EFFORTLESSLY EXPRESSED

Below deck, Mediterranean elegance meets FJORD's disciplined approach to design. Rich textures, refined surfaces and carefully selected materials create a space that feels warm, calm and distinctly modern.

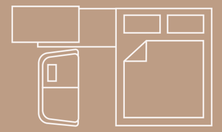

By day, generous hull windows fill the cabin with natural light. In the evening, layered lighting reveals the depth of the materials and creates a more intimate atmosphere – a private retreat at the end of the day.

A PRIVATE RETREAT
AT SEA

The full-beam midships cabin continues the calm atmosphere and refined materials found throughout the lower deck. A generous double bed, sofa and excellent headroom create a comfortable place to rest, read or unwind.

A separate head with an enclosed shower serves both cabins. Between them, the central lower-deck area can be configured with either a discreet integrated galley or an additional seating area, allowing the layout to suit the way you use your yacht.

More than a bedroom
With its double bed and sofa, the full-beam midships cabin becomes a private living space – not simply a place to sleep.

"TAYLORED" – TIMELESS LUXURY | INVITING | MEDITERRANEAN ELEGANCE

HARMONY,
ARTFULLY COMPOSED

Personalisation starts with two expertly curated interior schemes. TAYLORED combines timeless luxury with soft, welcoming Mediterranean elegance, while LEGACY offers a bolder, sleeker and more Contemporary Nordic style.

For a truly individual result, selected materials, colours and details can be customised to reflect your personal style.
