EASY SAILING

SINGLE-HANDED, IF YOU WISH

Stress-free handling comes as standard with HANSE. You can sail the HANSE 345 short handed if you wish, as the helmsman can operate the sheets, halyards and reefing lines from astern. The spacious cockpit is free of ropes, giving your fellow passengers room to relax.

SI LO DESEA, CON UNA MANO

El manejo sin estrés es la norma en un HANSE. Si quiere, puede navegar usted solo con el HANSE 345, gracias al piloto y el control desde popa de escotas, drizas y rizos. La amplia cabina está libre de cabos, eso ofrece espacio para que se relajen los acompañantes.

D'UNE SEULE MAIN SI VOUS LE SOUHAITEZ

La facilité d'utilisation est livrée en standard chez HANSE. Avec le HANSE 345 vous pouvez naviguer en solitaire si vous le souhaitez, car le barreur peut régler toutes les écoute, les drisses et les ris depuis les postes de barre. Le large cockpit dégagé donne à votre équipage un espace pour se détendre.

WENN SIE WOLLEN, EINHAND

Stressfreies Handling ist auf einer HANSE Standard. Wenn Sie wollen, segeln Sie die HANSE 345 ganz allein, denn Schoten, Fallen und Reffleinen bedient der Steuermann von achtern. Das geräumige Cockpit ist frei von Leinen, das schafft Platz für die Mitsegler zum Entspannen.

MANOVRARE DA SOLI... SI PUÒ!

Una navigazione tranquilla e rilassata è uno dei capisaldi di HANSE. L'HANSE 345 può essere condotto da una sola persona, infatti il timoniere può tranquillamente gestire scotte, drizze e borose dal timone. L'ampio pozzetto è libero da cime e offre lo spazio ideale in cui tutto l'equipaggio può rilassarsi.

INTERIOR DESIGN

THE FEEL-GOOD FACTOR

The interior is a balanced composition of many components. The room proportions and lighting play an important role, alongside colours, furniture design, fabrics and many special details. When you feel at home on board, we've got everything right!

EL FACTOR DEL BIENESTAR

2

Carefully selected solid timbers – such as American cherry – give the HANSE 345 its unique charm.

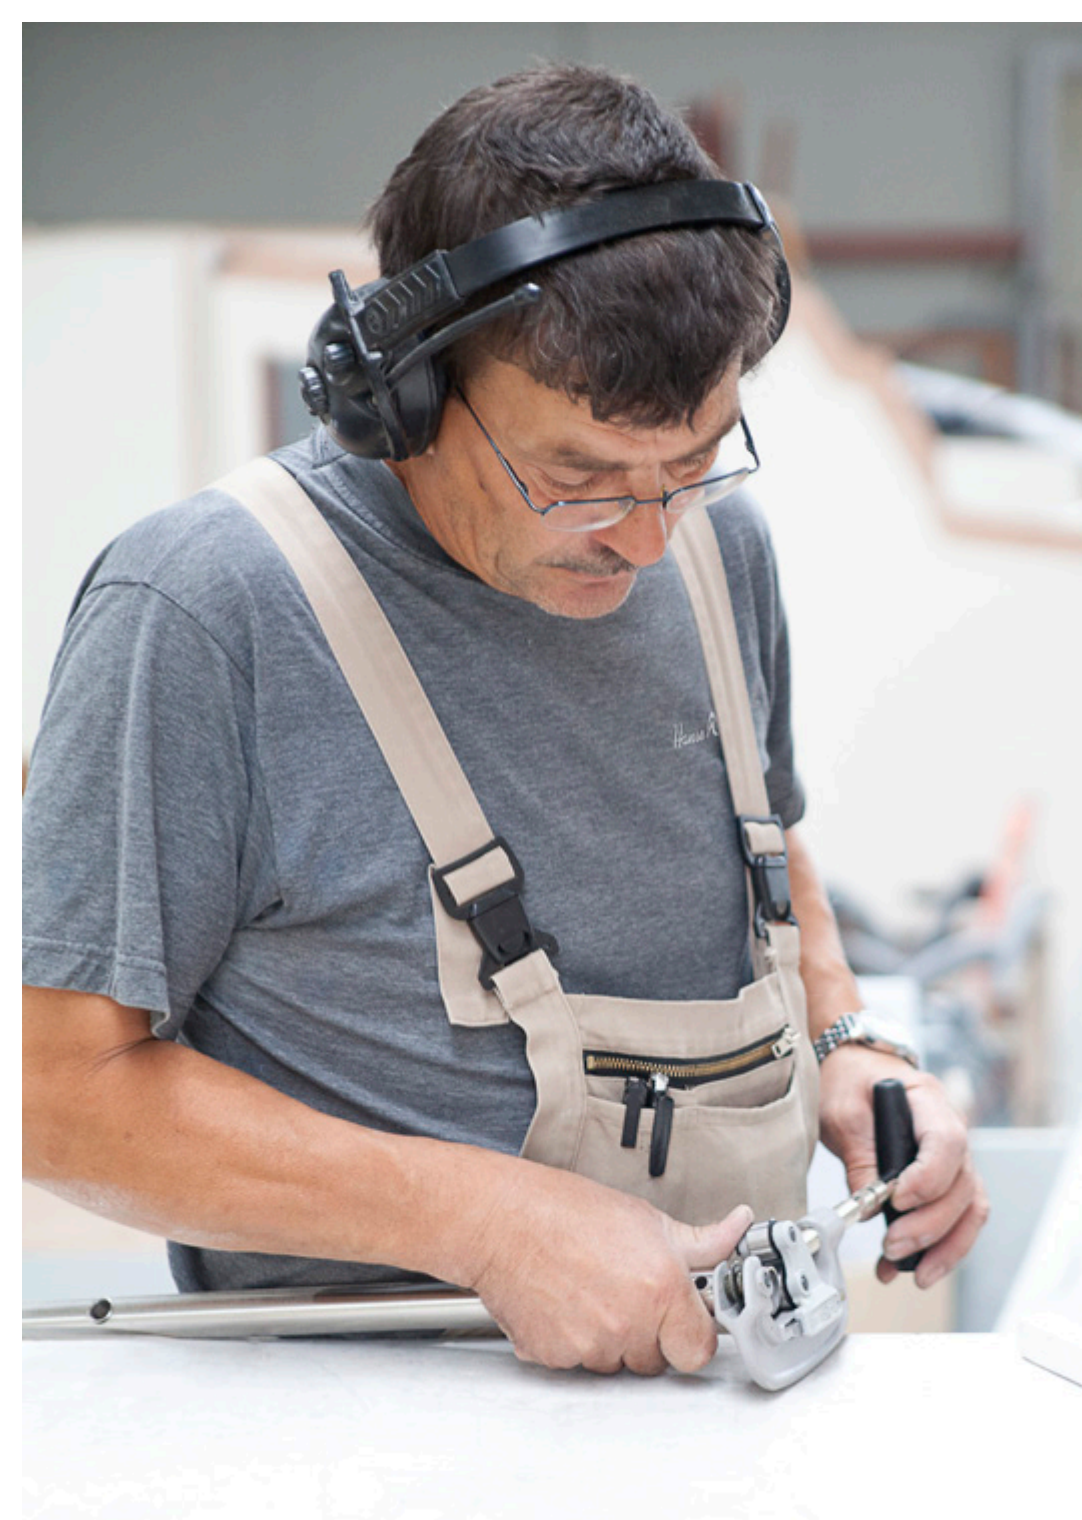

3

Series production of yachts on assembly lines with calculated cycle times - good value with high quality.

4

Your HANSE 345 will not set sail without an extensive quality control throughout the whole production.

2 A puzzle with many pieces. The HANSE 345 was developed and engineered with millimeter precision.

3 CE-certificate by GL. The Germanischer Lloyd is setting highest standards in boatbuilding worldwide.

HANSE
345

A wide-angle photograph of a sailboat with a large, vibrant orange sail sailing on a calm sea. The sun is low on the horizon to the left, creating a bright glow and reflecting off the water's surface. The sky is a deep blue with scattered white clouds. In the distance, a dark, tree-lined shore is visible. The overall mood is peaceful and serene.

“THE TRUE PEACE OF GOD
BEGINS AT ANY POINT 1,000 MILES
FROM THE NEAREST LAND.”

Joseph Conrad, novelist (1857 – 1924)
